

In order to better serve the customers and residents of Iosco County, our office will be implementing a new software program on Monday, December 5, 2016. Due to the necessity of extracting the most recent documents of record, **our office will be closed to the public on Friday, December 2, 2016.** While this is taking place, our staff and researchers will be in training on our new software. Thank you for your patience and understanding.
